WINE EXCISE TAX FILING AND PAYMENT METHOD

Wine Excise Tax quarterly returns and payments must be made electronically using myPATH, the department's online tax system for businesses. Visit myPATH.pa.gov to register. Paper tax returns are not available or permissible for this tax type. Licensees must submit a quarterly Wine Excise Tax

return, even for periods where no taxable wine sales occurred.

You are still required to file a Sales and Use Tax return according to your current filing frequency, which may differ from your quarterly Wine Excise Tax return.
